An Oasis in the Woods

The Haworth Platform Tennis Association is a private, family-friendly club nestled deep in the woods of Haworth, NJ. Consisting of two courts that have been updated to the top standards of the sport, a renovated clubhouse for viewing and keeping warm, and a passionate membership from all over the surrounding area, The Haworth Platform Tennis Association is a unique and wonderful community. It's a home-away-from-home for members to socialize, compete, and above all else, have fun.

Many Ways To Play - Join one of our competitive teams, drop by for weekly open paddle sessions, or book a court and organize your own games.

Club Events - Tournaments, dinners, mixers, and more. HPTA hosts a variety of events throughout the year, with food, favors, and fellowship that are the stuff of paddle legend.

Lessons - HPTA is delighted to offer lesson opportunities to any members looking to improve their game. We use the best pros in the business, and beginners are always welcome!

Updated Facilities - In 2024, both courts were resurfaced, and new lights were installed. Plus, brand new plumbing was added to our freshly renovated warming hut.
